The greatest man I ever knew my daddy. The pain that I feel is unbearable and my world has completely come to a halt but I will forever hold onto what God showed me mins after you took your last breath. I know you are rejoicing in the arms of Jesus and Grandpop. The smile on your face I seen that Sunday night I have not seen in a long time Daddy and just that alone gives me peace. I will never lose sight of who I am and where I came from, u taught me the values of life and material things mean nothing compared to the love that one can give. Dad I miss u so much and will keep your memory alive for as long as I still have air in my body. I love u deeper than the ocean and higher than the sky ♡ Daddy keep watching over all of us.... love ur daughter forever Shelly ♡
