Pris, Peggy, David, and Fulton, Thank you so much for being there for us on that dreadful day. So good to see you again, I still have a picture with our fathers together when they were young. It's the only picture I have of my dad. I can remember those days like they were yesterday. Your words of comfort mean so much. I cried some more after I saw you ladies. The service was Inspiring and Powerful. Mom suffers no more. Libby
