To the Jones Family, So sorry to hear of your mother's passing. I have such fond and wonderful memories of Charlotte. She was a great mentor to me when I first became a nurse and taught me so much more about life. I will never forget that she gave me my first nursing job and lighted the way for my future. I will never forget her. All of you are in my prayers and I hope that you find peace that she is in a better place in God's hands.
