Gordy, Jason and Amber.... there are no words to express the sadness and the sorrow that I feel since I heard about the passing of Colin. I know life has been tough for all of you. You all have had so much sadness in your lives. I am so sad that Colin couldn't fight off his demons no matter how hard he tried. We all know that some people are just not strong enough. He still had that beautiful smile as he did when he was young. I still think about all of you all the time and wish that I had stayed in touch with all of you. Jason and Amber please take care of each other and take care of your dad. I am so glad to see that you all are still such a close family. I send my love to all of you. xoxo Colin RIP....xoxo
