My Dearest Sylvia & Family: Everything that happens in this life is a gift from God. Even as you struggle through this difficult time, know that you are gaining strength from above. and wisdom that will help you further down the road.

Always know and remember...no matter what happens in this life, God is still in control and He knows what is best. You will always have those of us, who really care for you and will be praying for your recovery from the loss of your only son. My deepest sympathy for your loss. I will never forget (neither will you) when I was pushing "Junie" around in his baby stroller and I accidentally lost control and out he slid onto the floor and scared you and me! He was such a gorgeous baby. I will never forget his beautiful eyes and long eye lashes. He lived a life of giving to others and what better example could he possible leave for us. May God bless you and keep you strong. Peace & Love, Cousin Bonnie Wood Spencer
