I will miss you, the talented and caring woman you have been. The loving way you treated people, always wanting to improve their lives in some small way. You were there for me when mom was here with us and especially after she passed, you reached out to me. I will miss so much about you, your voice when we talked, your laugh when things were light, and getting the enormous ice cream cones in town. Always loving,
Sherry

I knew Shirley from many years ago when she lived in Charles County. She was always a joy to be around. Her children were her world. She was funny and witty. She was very kind and compassionate. So sorry to hear of her passing. She will be greatly missed. Sincere condolences to her family.

Please accept my heartfelt condolences for the loss of your loved one. Take comfort in knowing that soon all those in the memorial tombs or grave will be resurrected or raised up back to life in conditions free from sickness and death (John 5:28,29; Revelation 21:4). These are few of many comforting scriptures. For more information on how to cope with the loss of your loved one, please visit www.jw.org.
