LESLIE J WARDELL

OCT 10, 2016

On October 10, 2016, Leslie Jane Wardell (ne Hugel) of Dagsboro, DE,--devoted mother of Zak and his wife Tessa, and Gabe and his wife Trin; doting mema to her grandchildren Gustav and Greta; dear sister to David and his wife Susan; and loving aunt to Margie, Jeffrey, Paul, Tommy, John, and Robert--was reunited with her beloved late husband James Sanders.

As a single mother who raised two Eagle Scouts, she was proud of her sons, and did everything in her power to furnish them with opportunities. She indulged and embraced their interests from the 60's band Grateful Dead (Zak) to the Rocky Horror Picture Show (Gabe).

Leslie had a joie de vivre that included a passion for food. She adored discovering new recipes, shopping for fresh and unique ingredients, and she lived for the collective experience of preparing a feast for a gathering of family and friends.

She loved to laugh and share good times with everyone around her.

Leslie is also survived by her three cats Beau, Mouse, and Lulu who miss her dearly.

The family wishes to extend a special thanks to everyone who cared for her in her final days. In honor of the angels from Delaware Hospice, and in lieu of flowers, contributions may be made to Delaware Hospice at <https://www.delawarehospice.org/donate-now/>

A memorial reception in her honor will be held on Saturday, November 12 from 12 noon - 4 PM at Jerry D's Saloon, 7808 Harford Rd, Parkville, MD 21234.

Electronic condolences can be made thru watsonfh.com

Leslie was such a presence in my life as I transitioned from teen to adulthood. She was full of life and love and laughter. Gabe and Zak, I used to babysit you when you guys were toddlers along with David Wolff, my then husband. But mostly, your mom and I would cook, she taught me many recipes, and we would spend Saturday nights watching tv with her and your dad. She loved you both to pieces. We reconnected through Facebook years ago and her personality shone through her frequent postings, sharing the ups and downs of her life. We will all miss her dearly. My condolences to you both and your families. In Light.

Please accept my heartfelt condolences for the loss of your loved one. Take comfort in knowing that soon all those in the memorial tombs or grave will be resurrected or raised up back to life in conditions free from sickness and death (John 5:28,29; Revelation 21:4). These are few of many comforting scriptures. For more information on how to cope with the loss of your loved one, please visit www.jw.org.

Dear Zak and Gabe and your families, Your mom was a true friend to me in Baltimore. We laughed, took you all to Chinquapin Park, carpooled, baked cookies, cried, drank coffee by the gallon and talked and talked. The day I left Baltimore for Texas was made much harder to leave you all behind Les and I remained friends for all these years. Loving a friend means through the good and bad you stay. I will miss her more than I can say.

A true friend, without her encouragement I would have never gotten through high school.

What a joy your Mother was to know and such a blessing to have had in our lives. Leith Walk, Swan Lake, and OC...those are the memories we'll always be grateful for along with so many others. Leslie will be in our hearts forever. God bless you all. And much love.
