I grew up with Tommy. We were close as any two brothers can be. We started martial arts at the same time and went through a lot together. But with time and distance and my time in the army, just lost track and it breaks my heart that time is lost. I would like to reach out the family if they want to contact me at howardtvickers@gmail.com . I would love to connect, share stories, etc. Tommy was one of the most honorable men I have ever known and miss him terribly.
