My heart goes out to Larry's family! He was such an important part of my childhood on Woodside Drive in Milford, DE. As a school girl, I wrote to Larry in Vietnam & celebrated with him when he came home. The Hayes boys were like my brothers and it saddens me so very much to hear of this great loss to Larry's friends & family. In your grief, please know that Larry remained special to people that you have never met or heard of. Living in North Carolina, I cannot attend the service, but will be there in spirit. Garry Hayes, please get in touch with me!
