## OBITUARY OF MR. CHESTER "GREENIE" LEWIS GREEN

Mr. Chester Lewis Green known to many as "Greenie" passed away at home surrounded by his family on Sunday, October 13, 2019. He was 82 years old.

Mr. Green was born on December 30, 1936 in New Castle, DE to the late Chester N. and Ella Lewis Green. In addition to his parents he is also preceded in death by a step son Barry Spencer in 1992 and a sister, Christine Mumford.

Greenie was employed by Townsends as a truck driver for 28 years. Following retirement from Townsends he then became a bus contractor for 28 years and for the last 13 years he owned and operated Lower Sussex Transportation and contracted with the Indian River School District.

He was a member of Hickory Hill United Methodist Church, but recently attended Life Church in Georgetown. Some of his favorite things to do were collecting antiques and spending time with family and friends at Trails End in Virginia. There you would find him enjoying cookouts, bonfires, classic country music and cruising around on his golf cart.

He is survived by his beloved wife of 44 years, Joanne M. Green of Millsboro, DE; a daughter, Kimberly Green and her wife Rene Peterson of Millsboro, DE; five step-children, Denise Marker, Dennis Spencer, Dawn Larrimore, Mike Spencer and James Spencer. He also leaves behind a brother, Jerry Green and his wife Thelma of Millsboro, DE as well as ten grandchildren and eight great grandchildren. We cannot leave out his beloved canine friend "Nick" whom he adored.

A funeral service will be held at 11:00 AM on Saturday, October 19, 2019 at the Watson Funeral Home, 211 S. Washington St. Millsboro, DE 19966 where friends may call from 10 AM - 11 AM for viewing and visitation. Entombment will follow at Woodlawn Memorial Park.

About 1 year ago I met Jo and Greenie. They were the nicest people ever. My best memory of Mr. Greene was last year. It was 2:30 in the morning when I heard a truck horn blowing. It went on for about 5 mins. I looked out of the window and saw Mr. Greene looking under the hood of his truck. I got up and went over to him and he said his alarm was going off and he could not get it to stop. I told him that I could turn it off and find the cause later in the morning. I pulled the horn fuse and it went off. We both laughed and went back to bed. The next morning I went over to help him and he said he found the cause of the problem. The tailgate was not closed completely. He and Jo took my husband and I out to dinner for helping them. We had a wonderful time. He will always have a special place in my heart and will surely be missed. Love and prayers go out to Jo and his family.
