Karen Webb Carey lit a candle in honor of Brenda.

I worked with Brenda back at the S&J in Dagsboro. She was the head cook and I was kitchen help. I learned a lot about cooking and life from Brenda. In later years, I would see her working hard at Hocker's. Brenda was a hard worker. She worked for everything she ever got on this world. I have the best memories of her, but I am heartbroken to know that she is no longer with us on Earth. RIP, Brenda-you have earned it.
