Dear Brother Frazier , Gary and I are so very sad to hear of our dear Sister Nina falling asleep in death , words cannot express our feelings of sadness for you and your family. Please know that you are in our thoughts daily, all in congregation love you both and we miss you at this very difficult time because we are not able to physically comfort you and encourage you. Jehovah surely hears our prayers on your behalf and may his Holy Spirit comfort you and bring you peace until we can meet again. Nina is in Jehovah's memory and his resurrection hope is just around the corner , we will soon see her bright smiling face and hear her giggle, Nina's laugh her giggle is what I hold in my memory and I will look forward to hearing it again soon. We love you our brother and look eagerly to the time we can meet again, and express our love and share in our worship and the wonderful blessings and promises Jehovah will soon fulfill.
