I worked with Don at Beebe Campus on 24. I was his lead for patient access and Don was one of the most compassionate and caring individuals with all he registered for care. Don and I just saw each other at the Beebe Hospital and I aske him when he was retiring and he said July 2nd. He said he couldn't wait to spend time with his family. God speed, Don my friend, for you will be truly missed. Until we meet again.
