The news of Aunt Ann's (how we endearingly called her)passing saddened us...I think of her regal and graceful nature during every encounter that never changed. Yes, it was bittersweet hearing the news...It comes to this knowing; It's never easy when a Loved one transitions, but it becomes bearable having the joy of beautiful memories remain to embrace you during the moments of intense sadness. May God's Peace continue to strengthen you all through this storm. Love & Prayers from The Eddings' Family of Richmond, VA.
