Val was a terrific human being. She was wonderful, kind, exciting and full of happiness. She was beyond kind to everyone around her and brought a smile to everyone's face. It's hard to believe she is gone. What a terrible loss. She and her family are in my thoughts and prayers.

Darn, Val Ill never forget the first time you cut my sons hair. You said dont you her ask me to cut his hair again. It was soooo funny. My son is now 32 about to turn 33. I had o my allowed one person to cut my sons hair until we met. So, he performed. When Donald introduced us he knew we would hit it off. We were all transplants to Delaware. Everyone you met you truly Miao yes their lives in one at or another. We will definitely miss you. When my son hollered out asking whats your friend Vals last name? Then told me to why I was messed up all day. Im still in disbelief. Until we meet again my friend.
