Mr Granville was such a loving, caring and funny soul. His heart was pure and full of love for the Lord. Anytime he would talk to Scott he always would put his hand on his. Scott thought of Mr Granville as a grandfather figure. He smile, laugh and words of wisdom will be missed and will live on in our hearts forever. Prayers and thoughts are with the entire family at this time of sorrow. Scott & Stephanie Mitchell

Gary and Debbie; I was saddled to learn of your Dads passing! I would always try to stop by and visit with your parents whenever I would get to Delaware! Loved our chats and they would always share what you were doing to help them! My thought and prayers are with you and your families! He will be missed but his stories and his love for his family will remain with you!

Sending deepest sympathy to all the family. We were blessed to have them as neighbors for many years and they were always so kind to us and our children.

Dear Family Members of Granville Lee Conaway:Dorothy, Gary, and Debra: Gary and Debra may not remember me, as I haven't seen you since you were young children. Dorothy, I've seen you in recent years, though it has been quite some time. I was shocked to hear of the passing of your father and brother, Granville (a first cousin to my mother, Grace Conaway Hopkins), and assure you of my/our sincere prayers for your comfort, peace, and guidance in these difficult days. I have such fond memories of visiting Granville and Dorothy with my parents, when we would visit other family members in the area as a young child and teenager. He was such a fine, jovial man and "farming" was always the topic of discussion. I remember his wonderful sense of humor. Surely wish we could be there for his service on Saturday, but distance makes that impossible just now. We will surely be thinking of you all and definitely praying.Bobby and Judy (Hopkins) BriggsLexington, North Carolina(Daughter of Grace Conaway Hopkins, cousin to Granville)

In Matthew 5.13 Jesus said, Ye are the salt of the earth. Granville Conaway and his parents before him were the salt of the earth. I give thanks for the relationship my parents and my family have had for many years with all the Conaway. I give thanks for knowing that hard-working Christian people worked our farm as if it were their own. I give thanks that Granville and Dorothy are reunited in Christ for eternity.
