Bryan Tyler Rust

NOV 24, 1970 - JAN 3, 2023

Bryan Tyler Rust, age 52, of Lewes, died unexpectedly on January 3rd, 2023.

He was the beloved husband of Doni Rust, and father of their children, Lucas and Riley. An automotive technician, employed throughout his life by businesses in lower Delaware, Bryan's best moments were enjoying all the water sports that coastal life offered.

Bryan was a graduate of AI DuPont High School of 1989 and continued after graduation to serve with the United States Coast Guard on carriers at sea, as well as in Hilo, Hawaii, before settling down in lower Delaware.

He enjoyed building furniture in his workshop, music, film, athletic pursuits, auto repair, and spending time with his family.

He is predeceased by his father Ronald H. Rust and mother Christina (Morgan) Rust. Besides his wife, he is survived by his stepmother, Margaret (Turner) Rust; 4 siblings; Heather, Michelle, Lowell, and Ashley; 6 nieces and nephews; Grace, Harry, Ben, Delaney, Piper, and Max. He is also loved and will be missed by his family in California, including his Aunt Joy and Uncle Terry, and cousins, Wendy Wyatt and Kim Vetter, as well as aunts, uncles, and cousins on the Morgan side in Lincoln, De.

A memorial service will be held on Saturday January 14, 2023 at The Crossing at 15183 Coastal Highway, Milton, DE 19968, at 12 o'clock to 1 o'clock for visitation with the family and a service at 1 o'clock.

Honestly one of my favorite people I have been lucky enough to know in my life. I mainly knew him from wind sports ,but in every way he had the best approach to everyone and everything. He always spread love. Brent Clark

We are so sorry Doni and boys to hear this news, we just found out. Brian was my next door neighbor in Lochwood and he always had his boards and kites spread out in the yard getting ready for a day in the water. We will never forget the day coming down Dorman Rd, seeing a person flying in the sky. We quickly went home, unloaded our purchases and went back out on Dorman to see Brian touch down so softly on the ground. We were so amazed at his talent. I will forever remember him flying up in the sky, now he is flying up in heaven.

Doni & family, we are so very sorry for your loss. Bryan was an amazing person and truly a light in our lives. We loved his smile, sense of humor, and his ability to make anyone feel like an instant friend. We fondly remember all the time we spent together in Dewey and are so thankful to have had him in our lives. Thinking of you all and sending love to you and your family.

Here's a shot of Bryan and Loop discussing the poor conditions at Key Box, September 9, 2009. These memories hit me... - Bryan running and jump-launching into the ocean with a boost, a spin or two, and a downloop so he landed hot on the way outside - Bill Briedis chiding us for hugging upon seeing each other after a winter's not riding. "Get a room you two!" - admonishing unsafe (HA!) riders from his van at New Road with his booming, police style speaker: "You with the Best kite. Stay off the beach and downwind of everyone else"

The pain of loss does not end in a few days, weeks or months. Gradually, although you never stop missing a loved one, the pain of loss is eased by remembering and cherishing all the times shared and treasuring the memories. I know that time will ease your pain but right now my heart is aching for you.R.I.P. Bryan.John O'Leary (not the surfer)

My friend I have so many memories over the last 17 years, I can't pick one. Just know that you were a shining light in my life. You never let me down. You made me laugh and you taught me so much. It's so hard to believe that someone who lived and loved so hard is gone. You will be missed more than you will ever know by my entire family. Doni, Lucas and Riley, you will always be a part of the McCall/Blizzard clan. Sending prayers for Peace and Love.
