Kathy Marie Streett

JUL 23, 1954 - JUN 9, 2023

Kathy Marie Streett, 68, of Lewes, was born July 23, 1954, to Howard J. Wright and Wilda A. Wright. Kathy departed this life on the morning of Friday, June 9, 2023.

Kathy graduated from Cape Henlopen High School and attended Delaware Technical Community College. She retired as a financial secretary from the Cape Henlopen School District in 2022.

Kathy was preceded in death by her father Howard J. Wright Sr.; mother Wilda A Wright, and grandson Malakai Z. Jones.

Kathy was known for being a detail-oriented and systematic problem solver. She loved to supervise any project and tell you how you could improve upon it. Her sharp wit was characteristic of the Wright bloodline. Her favorite pastime was shopping at the local stores for bargains to brag about. Like her parents, she took pride in making her yard an oasis-there was never a lack of flowers. Her son-in-law and daughter had their own personal security system as they would receive a call within moments if anything or anyone looked out of place across the street including wildlife. Christmas was her favorite holiday and she went above and beyond to celebrate it- this included a healthy competition of “who would get their tree up first” with the house across the street. She and Melvyn loved helping in the nursery at Dagsboro Church of God. They were both faithful to help with fundraisers for the Boys and Girls Club located at the church as well.

Kathy will be missed by a host of family members and friends. She is survived by her husband of nearly 50 years, Melvyn T. Streett, of Lewes; her daughter Shelly (Arthur) Jones, of Lewes; her son Eric Streett, of Millsboro; her grandchildren Austin Jones, Caleb Jones, Kayleigh Paolillo, and Kealen Streett; her brothers Howard J.(Daisey) Wright Jr., Danny (Debbie) Wright, Ronney (Donna) Wright, and a host of nieces, nephews, cousins, and friends.

I only found out about Kathy's passing today and I am so sad to hear it. She was one of my favorite people at BJs Optical. She would come in to see me every time she was in the store. My thoughts and prayers are with her and Melvyn and her family.

Would have to say that my most joyful, and memorable times with Kathy were at Lewes Beach as youngsters. We would go in the evening after all chores were done and would stay until just about dark. Kathy was very agile and was a fast runner. We would do all kinds of acrobatics in the water and she would just giggle and laugh with the most delightful laughter. I remember her wearing those swim caps with the strap that goes under the chin. That was her trademark at the beach. She would also come by with the family after church on Sundays and maybe have a biscuit and a hamburger from my mom, her Aunt Iris. Our most recent and last time together was when she stopped by and we had a conversation under the shade tree in my yard. I will treasure that. She will be missed and was deeply loved. Lovingly, Cousin Patsy.

I always had fun with Kathy, teasing her that if something new comes into my home,, unless something goes out, relative to our thrift shop finds. She just wouldn't empty that attic. All kidding aside, I am more than heartbroken for Melvin, my favorite at the Christmas wrap, as well as for Shelly and Eric. Dolores Rubolin
