Kellie Ann Hall

AUG 31, 1969 - JUL 8, 2024

Kellie Ann (Tidwell) Hall, beloved wife, mother, daughter, and Nana, peacefully went home to be with the Lord on Monday, July 8, 2024 surrounded by much love and family after a long and courageous battle with cancer. She was 54 years old.

Born on August 31, 1969, she was the cherished daughter of Daniel and Joanne Tidwell of Georgetown. Kellie was a graduate of Sussex Central High School where she met her husband of almost 32 years, Charles “Chuck” Hall and they both went on to attend The University of North Carolina at Charlotte. They were wed in August 1992 and from that union were blessed with two wonderful daughters Emily and Rachel.

Kellie was a highly respected and dedicated educator of 30 years, all of which were spent teaching first grade at East Millsboro Elementary School. Kellie went on to complete her Masters Degree in Education from Wilmington University and touched the lives of generations of students who often shared stories when seeing her around town. Kellie could always spot a former student from a mile away, call them by their name, and give a funny story or two about something they might have done in her class. Her dedication to education did not stop in the classroom as she spent a large portion of her personal time assisting with PTO and mentoring programs.

Family and God were at the center of Kellie’s life but her biggest accomplishment was being a mother and Nana. Kellie spent years sitting in the lobby of Dance Alley and traveling to several dance competitions with Emily, and then later found her passion of traveling up and down the east coast watching Rachel play softball. In 2019, Kellie earned the title “Nana” to Addison and again in May 2024 to Carson, children of Emily and Tyler - both of whom were the light of her life and who gave her great purpose and strength during her illness.

Kellie will always be remembered for her love of the beach and all things Christmas.

Kellie is survived by her husband Chuck, her daughters Emily (Tyler) Wright and Rachel of Millsboro, her brother Jamie (Carrie) Tidwell of Fort Lauderdale, FL and her parents Daniel and

Kellie was at every Delmarva Christian High School game to route Rachel on and support the Royals! Despite how she felt, she was there. We watched her smile through pain, laugh and joke through it all, and you could see God was carrying her through it all as she had joy. We were blessed to know Kellie and continue to pray for and support the family. In His grip, Wendy and Matt Kwiatkowski

Kellie and I were teaching partners and friends for many years. I lived her dearly and cherish all of the memories I have of our shenanigans. Love to everyone in her family. ❤️

I've known Kellie since she was a young woman of fifteen. There was nobody with a greater sense of humor or love for other people as Kellie was. She was one of the loviest people I've ever known and a warrior in her health battle. There is no one I can ever think of that can ever take her place in my heart. I will always be thankful that we were such good friends. Rest with Jesus honey. I'll never forget you. I'll see you again in heaven. ❤️❤️👤👤
