Too many memories to share all-but one sticks out so clearly! Marie did her best to keep me & my mother laughing through a difficult time. My mother had fallen and Marie came rushing to help me get her up! We weren't able to do this ourselves so the fire dept. was called! The firemen were very handsome and fit! Mom seemed okay after they got her up and settled in her bed. Marie commented "at least mom is ok & we had some excitement today and got to see some fine-looking men!" My mother and I and Marie laughed so hard! I loved Marie and there will never be any1 like her in my life again! I'm sad! But WOW she was SUCH a BLESSING!!! I will miss her more than words can ever express! Thank GOD for the years I/we had her here!! God takes only the best! But still ... 😞
