K eith Wilkerson, of Felton, Delaware, passed away on November 26, 2025, at the age of 58 after suffering a sudden cardiac event while he was courageously battling against advanced cancer.

Born on June 29, 1967, Keith will be remembered for his determined spirit, and remarkable talent for fixing and building things. Whether taking on carpentry projects, working on cars, or simply lending a hand to someone in need,

He spent many years working as a professional painter and also operated his own handyman business. His dedication, craftsmanship, and willingness to help others earned him the respect of many.

Keith enjoyed the simple pleasures that brought him peace and happiness. He loved fishing and crabbing, watching football—especially cheering on the Dallas Cowboys—and following NASCAR races.

Keith is survived by his daughter, Victoria Wilkerson of Millsboro, Delaware, who was one of his greatest joys as he carried a profound, enduring love for her in his heart. Even in times of distance, he held her close in his heart and hoped she always knew she was loved.

He is also survived by his girlfriend of 20 years, Terry Miller of Felton DE, with whom he shared a close and meaningful life with. He was a steady, caring presence, offering comfort and support to Terry, her mother, Betty Hickman, and her other family members. Many of Terry's children thought of him as a stepdad. He is further survived by his sister Sandra Wilkerson Culp and her husband, William, along with three nieces, Seraphina, Mikaela, and Gavriella Culp.

Bless you and may you rest easy in Heaven 🙏 My friend was your girlfriend here on earth 🌍 Terry Miller, I KNOW she's Missing you EVERY DAY as sure as all your friends and family are as well. I'm sorry God but I think 58 years old is too young to pass away. I think spirits should at least have until 80 years before they pass. Rest in Peace 🤍🤍

There is so much to say but how to say it. It's not easy losing a cousin. I'm gonna miss you. There is one thing I always thought it was cool being the baby cousin had its perks lol I do have so many memories. I remember seeing you on the front porch of your friend's house while I was at mine. Her and I were on the skateboard and you said what are you doing around here I said I'm visiting my friend and I asked you the same sarcastically and you said the same. And you cooked fish at mom's and you tried so hard to get me to try it and I looked at you and said ew no way lol and you just chuckled and said you ain't right. Hanging at point pats at the pool was always fun. I'm really gonna miss you I hope you are at peace my dear cousin Keith we love you
